

provision about having access to specialists. There might be a good number of Members in this body who want to see greater access to specialists but not support the right to sue, and conversely. Giving us the right to do some amendments might perfect a bill that can pass. I ask the Senator, my being new here, if that would be sort of an ideal way that could work?

Mr. DURBIN. That is the way a deliberative body works. It deliberates and makes choices. It is important to make our views known on the Patients' Bill of Rights and helping millions of American families concerned about the adequacy of their health insurance and whether they have guarantees to quality care.

I yield the floor.

#### ENERGY AND WATER DEVELOPMENT APPROPRIATIONS ACT, 2000

The Senate continued with the consideration of the bill.

Mr. LOTT. Mr. President, for the information of all Senators, the Senate is presently considering the energy and water appropriations bill. There are now, and have been, negotiations taking place in the Cloakrooms to put the finishing touches on the managers' amendment which will encompass most, if not all, of the remaining amendments.

While progress is being made, final passage on that vote is not anticipated this evening. Therefore, I do want to get a unanimous consent agreement about how we will proceed tomorrow. If we get that entered into, then we will not expect further votes tonight. The managers will remain tonight to complete action on the appropriations bill, and final passage will occur tomorrow, hopefully in a stacked sequence, beginning at approximately 10:45.

Once again, if we get this unanimous consent agreement, then there will be no more votes tonight, and the first votes will occur in the morning at 10:45.

#### UNANIMOUS CONSENT AGREEMENT—S. 331 AND S. 1205

Mr. LOTT. Mr. President, I ask unanimous consent that at 10 a.m. on Wednesday, June 16, the Senate proceed to the consideration of S. 1205, the military construction appropriations bill; that there be 10 minutes for debate, equally divided in the usual form, with an additional 5 minutes for Senator McCain, with no amendments in order to the bill. I further ask unanimous consent that there be 20 minutes, equally divided in the usual form, relative to S. 331; that is the work incentives bill. I finally ask unanimous consent that following the expiration of all debate time, the Senate proceed to vote on final passage of S. 1205, the MILCON appropriations bill, to be immediately followed by a vote on passage of S. 331, the work incentives leg-

islation, with no intervening action or debate.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. LOTT. Therefore, all Senators should be aware, there will be at least two stacked votes occurring at 10:45. In addition, there may be another vote or two on or in relation to amendments on the energy and water appropriations bill and final passage of the appropriations bill. All Senators will be notified when those agreements are reached.

I now ask unanimous consent that with respect to S. 1205, when the Senate receives from the House the companion measure to this bill, the Senate immediately proceed to the consideration thereof; that all after the enacting clause be stricken and the text of the Senate-passed bill be inserted in lieu thereof; that the House bill, as amended, be read a third time and passed; that the Senate then insist on its amendment, request a conference with the House on the disagreeing votes of the two Houses and the Chair be authorized to appoint conferees on the part of the Senate, with the foregoing occurring without any intervening action or debate. I further ask unanimous consent that with respect to S. 1205, the bill not be engrossed and that it remain at the desk pending receipt of the House companion bill; and that upon passage of the House bill, the passage of S. 1205 be vitiated and the bill be indefinitely postponed.

The PRESIDING OFFICER. Without objection, it is so ordered.

#### UNANIMOUS CONSENT AGREEMENT—HOUSE LOCKBOX SOCIAL SECURITY LEGISLATION

Mr. LOTT. Mr. President, I ask unanimous consent that immediately following the stacked votes on Wednesday, there be 1 hour for debate, equally divided in the usual form, prior to the vote on a cloture motion involving the House lockbox Social Security legislation.

The PRESIDING OFFICER. Without objection, it is so ordered.

Mr. LOTT. Mr. President, I yield the floor.

The PRESIDING OFFICER. The Senator from Oklahoma.

#### CHANGE OF VOTE

Mr. INHOFE. Mr. President, I ask unanimous consent that I be recorded as voting "aye" on vote No. 167, a vote today on the cloture motion. It would not have changed the outcome of the vote.

The PRESIDING OFFICER. Without objection, it is so ordered.

(The foregoing tally has been changed to reflect the above order.)

Mr. INHOFE. I yield the floor.

Mr. LOTT. Mr. President, I suggest the absence of a quorum.

The PRESIDING OFFICER (Mr. AL-LARD). The clerk will call the roll.

The assistant legislative clerk proceeded to call the roll.

Mr. JEFFORDS. Mr. President, I ask unanimous consent that the order for the quorum call be rescinded.

The PRESIDING OFFICER. Without objection, it is so ordered.

#### MORNING BUSINESS

Mr. JEFFORDS. Mr. President, I ask unanimous consent that the Senate now proceed to a period of morning business with Senators permitted to speak for up to 10 minutes each.

The PRESIDING OFFICER. Without objection, it is so ordered.

#### HAWTHORNE ARMY DEPOT

Mr. REID. Mr. President, today—for the first time in many months—there is peace in Kosovo.

Like all Americans, I hope with all my heart that the peace will be both lasting and just.

I rise today not to discuss the war—or the way it was conducted—or the terms on which it was ended.

Many Americans risked their lives in the air over Kosovo in the bombers and helicopters flying over the front lines. Every night, America watched the heroism and skill of those pilots as they braved anti-aircraft fire to drop laser-guided bombs and missiles and other ordnance onto targets with amazing accuracy.

But what we often forget is that those heroics were made possible by the efforts of thousands of Americans working behind the lines, off-camera, in a variety of roles—maintaining the planes, feeding the pilots, shipping supplies, performing countless other functions critical to men and women in combat.
